Parent Acknowledgement

As parent of the player named below, I, the parent, acknowledge that:

- 1) My child's team manager has requested to nominate my child for the CYB All Star season, and our family is willing and able to accept the responsibilities associated with this nomination.
- 2) The All Star Tournament season is a potentially long one, with practices beginning May 16th and extending potentially to mid-July (Pinto) or early August (Mustang and above). Please review the grid on page 2 of this document. While some of the dates may change, it provides a good guide as to what type of commitment is required.
- 3) Barring potential illness, injury or family emergency, my child will be available to participate on all dates except those noted specifically below (see "Known Absentee Dates" between early June and early August, so long as his/her team continues to participate in the tournament(s).
- 4) I understand that absenteeism without due cause, outside of the dates specified below (see "Known Absentee Dates") may be cause for loss of All Star eligibility in subsequent seasons. The final opportunity to disclose new absentee dates is upon notification by the team Manager of your child's selection to the team.
- 5) Dates that my child will be absent due to pre-planned family activities are listed below. I understand that excessive absenteeism may be cause for rejection of my child's nomination. Known dates of absenteeism cannot cause a player to miss any games during the first, District, tournament and a minimal number of practices (3 days or less).
- 6) I understand that All Star tournament play is a competitive environment, and that team selection is not a guarantee of playing time for my child. I understand that the team manager is responsible for both position and playing time decisions and I will support the team manager's decisions even if they mean that my child gets less playing time than others on the team.
- 7) I understand that the CYB Code of Conduct is in effect throughout the All Star tournament season.

Please return completed form to your Team Manager on or May 2nd. If, for any reason, your child's availability changes after submitting this form, it is the parent's responsibility to provide an explanation of this, in writing, to the Player and Coach Agent (playeragent@carlsbadyouthbaseball.org) and or let your All-Star team manager know upon notification of your child's selection.

VERY IMPORTANT

If your child is placed on an All-Star team, your team Manager will contact you by May 15th. Once accepting the placement you are agreeing that all known dates of absenteeism have been disclosed and you are agreeing to be fully committed to that team. **Any non-emergency related absenteeism that is not disclosed when you accept your child's placement could cause your child to be ineligible for any CYB All-Star team in 2010.**
